

LAND ACQUISITION AND SITE EVALUATION COMMITTEE

This committee will act in an advisory capacity to the Londonderry School board in the following areas:

1. Devise a site evaluation checklist.
2. Prepare a list of acceptable school building sites.
3. Work closely with the School Building Needs Committee in order that the sites proposed to the School Board Will complement the type of buildings recommended by the School Building Needs Committee.
4. Work closely with the Londonderry Planning Board, Building Inspector, Town Planner and Town Engineer on the selection of school sites.
5. This committee has no authority to enter into an agreement, written or oral, on behalf of the Londonderry School Board or Londonderry School District.
6. This committee shall report to the School Board when asked to do so by the Chairman of the Londonderry School Board.
7. The Committee will be expected to report to the Board in writing no later than December 31st.
