

COMMITTEE-SCHOOL BOARD COMMUNICATIONS

The Londonderry School Board expresses grateful appreciation to their study groups, realizing that they are composed of volunteers who gave much time and effort toward improving education within our community.

The School Board shall play a supportive role with the committees, urging them to seek new Information and utilize fresh resources. The Board shall help locate existing information and communicate to the committee any new development which may affect the direction of their work.

In turn, the committee Chairman shall make every effort to keep the School Board Informed as to the Committee's progress and direction in the following ways:

- A. Formulate and Present to the School Board a tentative meeting schedule-including location and time.
- B. Submit to the School Board minutes of each meeting and/or progress reports.
- C. Inform the School Board member, assigned as a liaison to the committee, as to new developments and changes in meeting schedule as soon as possible.
- D. Submit an annual written report in time for its inclusion into the School District's Annual Report.
- E. Attend School Board meetings at the Board's request.
