

POLICY DISSEMINATION

The policy manual is a public document. The Superintendent is directed to establish and maintain an orderly plan for preserving and making accessible the policies adopted by the Board and the administrative rules and regulations needed to put them into effect.

Accessibility is to extend at least to all employees of the school system, to members of the Board, and to persons in the community insofar as conveniently possible. Hard copies of manuals will be available for inspection at the Superintendent's office and the public library.

All policies shall remain the property of the School Board and shall be considered as "on loan" to anyone or any organization, in whose possession they might be at any time. They are subject to amendment at any time deemed necessary by the Superintendent of Schools and the Londonderry School Board.
