

**BOARD MEMBER COMPENSATION AND EXPENSES**

The Office of the Superintendent of Schools is empowered to pay Board members only for calendar months served on the School Board.

Payment to School Board members will be made at six month intervals – this to fall on the second pay period in the months of September and March.

In the event that an individual School Board member wishes payment other than on those approved dates, this may be done by contacting the Superintendent of Schools. The payment will be made for the months he has served as a School Board member.
