

## **LIAISON WITH SCHOOL BOARD ASSOCIATIONS**

The Board instructs the Superintendent to keep the Board fully informed of the affairs of the state and national school board associations and, contrariwise, to keep these organizations informed, as directed from time to time, of the Board's concerns and official positions on matters of common interest and concern.

In addition to desiring informational liaison between itself and the school board associations, the Board is also desirous of being officially represented in associational affairs through the election of delegates and/or observers to the governing assemblies of these organizations.

The Board will appoint a delegate and an alternate to the NHSBA at its annual organizational meeting.
