The sponsor, host family and local program representative must maintain personal contact with the school, must be available and willing to meet with school personnel when problems or circumstances require and must assume full and final responsibility for resolving problems including the early returns of the student if personal family or school or school difficulties cannot be resolved.

If a student's grades, conduct or discipline are deemed unsatisfactory by the school, the student may be withdrawn.

### Admissions process

Approvals for admission must be obtained from the district between April 15<sup>th</sup> and July 31<sup>st</sup> for the following school year or between October 15<sup>th</sup> and December 15<sup>th</sup> for the second semester, except under unusual circumstances.

All applications will be screened by the superintendent or designee before they are forwarded for review and approval of the principal of the school where admission is being requested.

The student must attend the school in the attendance area in which the host family or sponsor lives, unless an appropriate transfer is approved by the district. Should a large number of foreign students be scheduled for a particular school, a transfer to another school may be recommended by the district in order to create a balance in foreign student enrollment.

Upon the student's arrival in the district, the adult sponsor (host family and/or local representative of the exchange program) and student must come to the school to complete the enrollment process. Students must arrive in sufficient time for attendance on the first day of school.

3. Records showing any required immunizations.
4. Evidence of medical insurance that will cover the student while residing in the district.

6. The names, addresses and phone numbers of the exchange student's own parents/guardians, the host family and the local exchange program representative.
7. Proof of English proficiency, including evidence that the student has successfully completed a minimum of three years of instruction in English and a letter of recommendation from the English language teacher documenting the level of proficiency or evidence that the student has passed a test of English language proficiency, such as the SLEP, TOEFL or FSL.
8. A notarized temporary custody agreement between the student's parents and the host family and/or exchange program.

Private sponsors must submit:

- a. Proof of residence; or

  - If self-employed, a copy of the last income tax return filed.

Only programs designated by the United States Information Agency will be considered for placement of foreign students on J-1 visas.

The program must have a local representative residing in or near the district who will meet with the student, host family and school personnel on a regular basis.

Orientation, both pre-departure and upon arrival in the United States, must be provided to help foreign students adjust to a new culture. Ongoing contact and support from the local Representative of the exchange program must also be provided.

Orientation must be provided to the host family in advance of the foreign student's arrival. The family should be acquainted with the needs and requirements of housing a visitor for a long period of time, advised of potential problems in hosting a foreign student and provided with suggestions for coping with these problems. Ongoing contact and support from the local representative of the exchange program must also be provided.
